## New Member Welcome

Hi,

Thank you for contacting the Tamaki Model Aircraft Club about membership.

The club is currently expanding and we are in negotiations with the Auckland City Council to move our existing great flying field to an even bigger and better location in the Point England Reserve.

If you are interested in designing, or building, or flying or watching or talking about model aircraft, then you have come to the right place. Whether you like to build ARF's or kits or from scratch or fly gas or electrics, gliders or helicopters, vintage or sport, you will find like minded enthusiasts at the Tamaki Model Aircraft Club.

We are an easy going bunch with a passion for all types of flying models.

The best way to meet us is to come along to our clubrooms at 38a Elstree Ave Glen Innes on a Friday night after 7:30pm. See pic -----> There are always club members there and you will receive a warm welcome. We have coffee and soft drinks available and a really great large-screen simulator suitable for all levels of pilot skills. The Friday night meetings are also where we carry out aircraft Warrant-of-Fitness checks. All models must have a current club WOF before flying at our field at Point England Reserve just round the corner from the clubrooms.

Here are a couple of shots from a recent Friday night at the club.

The Prez with his helicopter and one of the guys flying the obstacle course on the simulator.

Some of the guys solving the world's problems.

If you can't make it to a Friday night meeting or if you just want to visit the flying field, the best way before you get your own key, would be to park beside the sports field on Pt England Rd and walk across to the flying field. (See Map)

If you look across the sports field into the paddocks you will see our fenced flying field. If there is anybody there just wander across and introduce yourself.

Most of the members don't bite and would be happy to chat with a fellow modelling enthusiast.

If you would like to talk to someone about the club feel free to contact the secretary: Stewart Lind  
[tmac.sec1@orcon.net.nz](mailto:tmac.sec1@orcon.net.nz)

Look forward to seeing you at the club or the field some time soon.
